CELEBRATING 60 YEARS OF GRADUATION

13th Annual Alumni Meet

■ Back To The Roots

The years spent at KGP truly moulds and shapes our personality. The unconditional love we share for KGP, our obsession with our Hall, Department and Society stays with us as we wander from personal to professional life even after graduating from our alma mater. Most importantly, the numerous activities at KGP we were involved in and the friends we made for life made our stay at KGP memorable. We strongly believe that KGP has played an important role in helping us achieve our goals. Needless to say, whatever we are it is because of the support of our alma mater and connections we made here. It's time to reunite with your own KGP and relive the carefree times that were left behind. Bathe in the surreal reincarnation of the impeccable past as your buddies from around the world join you in your ride to the past. So, let's board the train of memories in search of our root -Back to the Roots and relive the good old days.

13th Annual Alumni Meet

■ Highlights of the last Meet

The 12th Annual Alumni Meet was organized from the 9th to 11th of January in the campus in which the Golden Jubilee Batch of 1965, the Ruby Jubilee Batch of 1975 and the Silver Jubilee Batch of 1990 were the special guests of honour.

■ Campus Tour and Departmental Visits

The alumni shall be taken on a tour in the campus and will be updated about the recent infrastructural developments that have taken place in the Institute. Revisiting your department is one of the things you will enjoy the most. The classes you bunked, the scoldings from the professors, those warnings of de-registration, all those memories are preserved, waiting for you to reopen the chambers.

■ Musical Night

Leave the world behind to embark on a musical odyssey with an assortment of fine performances by KGP students. As you feel the resonance of instruments and vocals rush through your veins, you are always welcome to join the stage and relive the good old days touched with a gentle wind of melodies.

Hall sento is the soul of KGP life. The alumni are at a loss to express the ecstasy and emotions that well up within them when they pay a visit to their beloved & hallowed halls of residences.

■ Transport

On campus transport will be provided by us. Transportation to and from Kolkata can also be arranged on a chargeable basis. Kindly email us to book the same.

■ Accommodation

Accommodation will be arranged in the three guest-houses present within the Institute premises. The charges for the same are included in the registration fees.

■ IIT KGP Endowment

The Annual Alumni Meet provides an excellent opportunity where batches together contribute generously under 'Founding Batch of Endowment Campaign'. A classroom in the newly built Nalanda Complex will be named after the batch, specially recognizing its members and batch leader, with all the donor names displayed at the entrance. This is a unique opportunity to leave behind your legacy. Government funds are generally for infrastructural growth. Hence to further research on nascent technologies, hiring and retaining talent would require going beyond the government-funds. Thus the IIT KGP Endowment aim to fill the gap and help fulfill the critical needs for the Institute's growth. Contributions to the 'Batch Endowment' is 100% tax free.
